Procedure

- ❖ Chapters are invited to prepare a basket prior to the State Leadership Workshop. When creating a basket, it is encouraged to choose a theme for the basket. Ideas can vary from back to school, sports and even candy themes.
 - (Any food items MUST be in their original packaging and unopened).
- ❖ This year, chapters will be permitted to donate TWO baskets for TWO service projects for the Outstanding Chapter Criteria Award. This is a change from other years.
- ❖ Upon arrival at the SLW, chapters should report to the Basket Auction registration table to register the respective basket(s).
- ❖ Once your basket(s) has been registered, your chapter will receive documentation that should be used if the individual chapter chooses to use the basket raffle for points towards the Outstanding Chapter Criteria Award.
- ❖ During the workshop, FBLA members and advisors will be permitted to purchase tickets and enter them to win the baskets of their choice. There will be a designated area for the basket auction where tickets may be purchased.

Price will be as follows:

3 tickets-\$1

20 tickets-\$5

- ❖ During the Closing Session of the State Leadership Workshop, the winning tickets for each basket will be drawn randomly. **Winners must be present at the Closing Session in order to win.** Also, winners must have the ticket stub in order to claim a basket. If a basket is not claimed after the ticket is called a second ticket will be drawn. This process will continue until someone present at the Closing Session presents a winning ticket.

RULES

- ❖ Chapters may donate more than one basket; however, only two baskets may be used to claim points for Outstanding Chapter Criteria at each workshop/conference. This is a change from previous years.
- ❖ The recommended price range on contained items should fall in the price range of \$30-\$40.
- ❖ All baskets MUST be wrapped in a see through material so no contents are removed, lost, or damaged. Examples would be cellophane, plastic wrap, netting, etc...
- ❖ Any food items MUST be in their original packaging and unopened

Awards

- ❖ Each chapter will be able to claim 5 service points on the Outstanding Chapter Criteria for each basket donated (up to two baskets).
- ❖ Chapters will be assisting and raising money for the 2011-2012 State Project—The American Heart Association and providing support towards PA FBLA reaching the monetary goal of \$35,000

PA FBLA chapters are not required to participate in this Plan of Work. However, the PA FBLA State Officer Team encourages all chapters to participate in this fundraiser in an effort to support the **2011-2012 PA State Project—The American Heart Association**. All components of each individual chapter's basket, including financial costs, are the responsibility of the local chapters, and not of the state chapter.
