Subject: [adviserlist] RLC Update #3--What Are the Competitive Events (Individual)?
Date: Monday, November 04, 2013 2:27:55 PM

Dear FBLA Advisers

In this e-mail, I will answer the following questions:

1. What are the competitive events that will be offered at the RLC?
2. What events are individual events?
3. What events are team events?
4. What events are school-site events?
5. What events are performance events?
6. How many students may I enter in an event at my RLC?
7. What events have grade-level specific restrictions?

The following information will answer multiple questions at a time. Yes, this may be a little lengthy, but I am hoping it will help guide you as you prepare to register your students for the conference. Remember, there will be a series of e-mails that will answer these questions so stay tuned. This e-mail will focus on pure **"individual" objective test** competitive events. The following events are open to students in grades 9-12. There may be some specific restrictions attached to these events.

Remember, not all competitive events are listed in this e-mail. In future e-mails, I will address: team events, school-site events, performance events.

If there is a discrepancy between what I have written here and the PA FBLA Policy/Leadership Handbook, anything that is written in the PA FBLA Policy/Leadership Handbook supersedes anything I have written.

Bruce
