✓ TEAMS NEED A TEAM CAPTAIN. This person will serve as the contact person for the team

✓ Teams raising the most money have an opportunity to receive first- and possibly second-round byes

✓ Teams will be ranked according to how much money they have contributed to the tournament

THE FIRST PLACE TEAM WILL RECEIVE A PRIZE!

OFFICIAL GUIDELINES

1. When the referee blows his whistle...*ALL GAMES BEGIN!!!* Games go on until all members from one of the teams have been eliminated or until the five minute buzzer sounds. If the game ends due to the buzzer, then the team with the most players still standing is the winner of the match.

IF THERE IS A TIE: The game will go into a **2 minute sudden-death period**. If there is still no winner after this period, sudden-death rules will continue until a winner is determined.

2. Once a ball hits the wall, floor, or referee, it is a **DEAD BALL**. (It is no longer considered 'in play')
3. Ways to get out:
 - Being hit by a live ball from a member of the opposing team
 - Throwing a ball at the opposing team and having a member from that team catch the ball you threw
4. If you catch a ball thrown from a member of the opposing team, you may bring back into the game **ONE** player from your team that has previously gotten out.
5. If a ball is deflected by another ball, it is still considered alive, and all above rules still apply.
6. Head shots will not be permitted!
7. **ABSOLUTELY POSITIVELY NO PROFANITY, DEROGATORY OR ABUSIVE LANGUAGE OR ACTIONS WILL BE TOLERATED!**
8. What the referee says *goes*. No objections or arguments will be tolerated.
