## What Types of Wishes Does Twilight Wish Grant?

Sometimes a wish fulfills an immediate need. Sometimes it is a last wish or a lifelong dream. Large or small, all wishes provide a meaningful "thank you" to the senior for a lifetime of service to others.

- **Simple Needs Wishes:** Examples include clothing, lift chairs, hearing aids, or appliances.
- **Celebrating a Life Wishes:** These are meaningful and nostalgic wishes granted for hospice patients or recipients with limited life expectancies. These wishes can be for family reunions, visits to hometowns, chances to return to a job or career one more time, and any similar wish that validates and brings joy to the recipient.
- **Living Life to the Fullest Wishes:** Examples include riding on a motorcycle, having a book published, flying in a fighter jet, meeting a celebrity, or going to a ball game.
- **Veterans' Wishes:** One-third of all Twilight Wishes granted are for veterans. Veterans' wishes can fall into any of the other three programs but we differentiate this program as it gives us an opportunity to thank veterans, many in nursing homes, for what they have done for others over the years, and show that we remember and care.

"It was the best day of my life."

- Bobbie Joe F., 75, TWF recipient who rode in a fighter jet

"We value the spirit of the elderly. It is a way we can say thanks, show respect, and make wishes come true in the twilight years for those who have spent their lives making wishes and dreams come true for you and me."

- Cass Forkin, Founder & Chairman of the Board
