

# Returning for its second year...

## **Pennsylvania FBLA**

### **“Adopt a Chapter”**

### **Mentoring Program**

- ? Has your chapter been around for several years?
- ? Have you had success at the local, region, state or even national levels?
- ? Would you be willing to “lend a hand” to help a new or inexperienced chapter find their own success?

Through the “Adopt a Chapter” Mentorship Program, well-established within the state are invited to serve as mentors or “BIGS”. These chapters would be connected with new or developing chapters or “LITTLES.”

As a “BIG”, chapters are encouraged to share their success stories, projects, tips etc. with their “LITTLES,” and be showcased for their commendable work, *“paying it forward,”* in the hopes of making all PA FBLA chapters equally great.

#### **NEW THIS YEAR:**

**ALL** chapters who participate in our mentorship program will receive special recognition and ribbons at the SLC in April. We hope to build on the successes of last year, increasing both the numbers of Mentors and Mentees.

Let your chapter leave its own “Legacy of Leadership” this year by getting involved with this amazing program and making your chapter, whether it be big or small, the best that it can be!

If you are interested in participating, complete the following Wufoo form:  
<https://pafbala.wufoo.com/forms/adoptachapter-mentoring-program/>

Following the application submission  
, **BIG** and **LITTLE** chapters will be paired and notified!
