Membership Incentive Program

SLC Member-at-Large

As we all know, chapter advisers always have chapter officers or those hardworking, unsung heroes of their chapter that they would like to bring to the State Leadership Conference but have not qualified through the competitive events program. For those chapters that work to improve their membership over the previous year, we have the following membership incentive program in place to bring "members at large" to the 2018 State Leadership Conference:

Steps Needed to Participate:

- 1) Increase chapter membership based on the table below

Previous Year's Membership 2016-2017	Increase in Membership This Year from Prior Year 2017-18	# of Members at Large the Chapter May Bring to SLC
1-25	3	2
26-99	5	2
100 or more	5	3

First-year new/reactivated chapters are eligible to bring two members at large.

- 2) Complete the online Member-at-Large Application and submit to Kristi Ryland, PA FBLA State Adviser, **no later than January 19, 2018**. Applications will be processed and advisers will be notified if their application was approved or not. **Chapters are only eligible for the Member-at-Large IF they submit the online application by the deadline date.**

- 3) Members-at-Large **ARE NOT** automatically granted attendance at the SLC.

SLC Priority Seating

Priority seating at the State Leadership Conference Awards Program is made by region's total membership increase % -- from highest to lowest. Those regions with the largest % increase are seated first with all other placed in numerical sequence from highest % to lowest % increase or decrease.

There will be assigned seating at both the Opening and Closing Sessions of the State Leadership Conference. These priority seats are located directly behind seats reserved for Board of Directors and Executive Committee Schools
