Region Judging

Tests will be machine and/or hand graded. Ties will be broken as follows:

First Tiebreaker

- Participant that progressed furthest through the entire test without making an error will be rated higher. Proceed to the second tiebreaker only if both tests are identical.

Second Tiebreaker

- Participant that submitted its completed test first will be rated higher.

Tiebreaker implementation examples are found starting on pages 341-343 of this handbook.

State Judging

Objective tests will be machine and/or hand graded and will be used to determine the ten (10) finalists. If there is a tie in the objective test score, the following tiebreakers will be used:

First Tiebreaker

- Participant that progressed furthest through the entire test without making an error will be rated higher. Proceed to the second tiebreaker only if both tests are identical.

Second Tiebreaker

- Participant that submitted its completed test first will be rated higher.

Tiebreaker implementation examples are found starting on pages 341-343 of this handbook.

The performance portion of this event will be evaluated by a panel of judges and will be used to determine the final ranking. All decisions of the judges are final. In the event there is a tie performance score, the objective test score of the tied teams will be used to break the tie. In the case of a tie, the following objective test tiebreakers will be used to determine the final rankings:

First Tiebreaker

- Participant that progressed furthest through the entire test without making an error will be rated higher.
Proceed to the second tiebreaker only if both tests are identical

Second Tiebreaker

- Participant that submitted its completed test first will be rated higher.

Tiebreaker implementation examples are found starting on pages 341-343 of this handbook.
