
National Conference Participant Financing

The state chapter shall fund first-, second-, and third-place competitors and national officer candidates (equal to a rate of a first-place competitor) based on the budget recommended by the Executive Director/State Chairman and approved by the PA FBLA Board of Directors.

State officers will be financed in accordance with the approved state budget. If a state officer is a competitor, he or she will receive the larger subsidy.

The following conditions must be met in order to receive the reimbursement:

State officers and competitors must attend and check in with the Executive Director/State Chairman/State Chairman or his/her designee for all PA FBLA state meetings and caucuses; for all Eastern Region meetings; for all other national meetings. Competitors must complete and submit the reimbursement request form, the test review form, and the punched card by July 31 following the NLC attended.

Official Travel Agency

The PA FBLA Board of Directors shall annually approve the official travel agency for the NLC. The PA FBLA Conference Coordinator has been designated as the official travel agent.
