PREFACE

The Pennsylvania FBLA Middle Level Competitive Events Policy Handbook has been developed to provide local chapters with guidelines relative to the operation of the Competitive Events Program at the Middle Level.

Many changes have been made to the event offerings, as well as the operation of the individual events. Please be sure to take note of the specific guidelines and requirements for each of the different events.

Advisers, as well as local chapter officers, should study this handbook in order for them to become acquainted with the total program and be better prepared for the guidelines, criteria and event competencies.

Appreciation is expressed for the assistance of many FBLA advisers, the PA FBLA Board of Directors, Middle Level Ad-hoc Committee, Membership Committee, and the PA FBLA State Management Team who made excellent recommendations in the revision of this publication and who will continue to provide additional opportunities for students enrolled in business-related courses to meet the challenges of a modern technological world in their present and future lives.
