Region

Region Eligibility

Each chapter may enter three (3) participants who are members of active local chapters in FBLA Connect, the FBLA membership system. An active chapter is defined as having members “pending or paid” at the time of the RLC registration deadline submitted by the region adviser to the Executive Director and published on the PA FBLA website.

2026-2027 Competitive Events Guidelines

Public Administration & Management

In order to be registered for this event, student data is imported into Blue Panda, the event registration and competitive events management system, from FBLA Connect. Students are imported and able to be registered only if identified as having “pending or paid” membership. “Paid” membership is defined as a dues payment for the student received by National FBLA; “pending” membership is defined as membership for which payment is due to National FBLA 60 days from the date the student appears on the membership invoice.

Members may compete in an event more than once if they have not previously placed in the top ten of that event at NLC. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event at RLC, SLC, or NLC.

It is the responsibility of the local chapter adviser

- to pay membership dues for all competitors by the published region deadline and to register students through Blue Panda by the published deadline.

Region Procedure

1. A 50-minute objective test will be administered based on the previously listed competencies. All participants in this event must complete the test in the assigned timeframe.
2. **The participant must comply with the PA FBLA Dress Code which can be found at <https://www.pafbla.org/about-pafbla/dress-code/>. Points will be deducted for not complying with the dress code UNLESS it is an egregious violation.**
3. Participants must furnish their own writing utensil if desired.
4. At the Region Leadership Conference, the participant will be provided with a non-graphing calculator in the online testing program. Participants may not use their own calculators. No scientific calculators, graphing calculators, PDAs (Palm Pilots, etc.), phones, or other memory storage devices are allowed to be used in this event.

Region Judging

All objective tests will be graded through the online test service. If there is a tie between competitors, the last ten (10) test questions will be compared and the individual/team with the highest number of correct answers will be ranked higher. The process will continue in groups of ten (10) questions until the tie is broken. If, after reviewing the entire test, the tie cannot be broken, the individual/team submitting the test in the least amount of time will be ranked higher.

Region Awards

Each region at a **minimum** must distribute a certificate to the top five place finishers in each event.

State

State Eligibility

The minimum number of competitors each region may enter is the first-, second-, and third-place winners who are members of active local chapters on record in FBLA Connect as having dues listed as “pending or paid.” Since a participant’s “pending or paid” membership was required at the time of region conference registration, only students who are “pending or paid” appear in Blue Panda to be registered for and assigned competitive events at the State Leadership Conference.
