2026-2027 Topic

Creating a Public Library and Technology Center Experience

A public library and technology center is being developed to serve the needs of a growing community while creating an engaging, welcoming, and accessible visitor experience. The facility will offer traditional library services alongside technology resources, collaborative workspaces, digital learning opportunities, and community programs.

Develop a visual design concept that helps visitors navigate the space, access information, and connect with available resources and services.

How can thoughtful visual design transform a public library and technology center into a space that is clear, welcoming, functional, and inspiring for its community?

Region

Region Eligibility

Each chapter may enter two (2) teams of 1, 2, or 3 members of active local chapters in FBLA Connect, the FBLA membership system. An active chapter is defined as having members “pending or paid” at the time of the RLC registration deadline submitted by the region adviser to the Executive Director and published on the PA FBLA website.

In order to be registered for this event, student data is imported into Blue Panda, the event registration and competitive events management system, from FBLA Connect. Students are imported and able to be registered only if identified as having “pending or paid” membership. “Paid” membership is defined as a dues payment for the student received by National FBLA; “pending” membership is defined as membership for which payment is due to National FBLA 60 days from the date the student appears on the membership invoice.

Members may compete in an event more than once if they have not previously placed in the top ten of that event at NLC. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event at RLC, SLC, or NLC.

It is the responsibility of the local chapter adviser

- to pay membership dues for all competitors by the published region deadline and to register students through Blue Panda by the published deadline.

Region Procedure

The following procedures must be used.

1. **The participant must comply with the PA FBLA Dress Code which can be found at <https://www.pafbla.org/about-pafbla/dress-code/> Points will be deducted for not complying with the dress code UNLESS it is an egregious violation.**
2. There will only be one round of competition at the region level.
3. Participant(s) should use visual aids (electronic, printed, etc.) during the presentation.
4. Participants should introduce themselves and present to the judges.
5. A maximum time limit of five (5) minutes will be allowed to set up and remove equipment or presentation items.
6. The presentation will be the opportunity for the students to “sell” their design and include an explanation of the choices made in the design.
7. Participants are responsible for bringing a copy of the project to use in the presentation.
8. Emphasize is placed on the visual interpretation of the topic and design.
9. Do not use any words, diagrams, clip art, and/or artwork that are not public domain. Must make a reference in presentation about copyright.
10. 3D models are acceptable.
11. Links and QR codes (for display only; cannot be clicked or scanned by judges before, during, or after the presentation).
12. The chapter must provide all technology for this event at the Region Competition. Internet access will not be provided.
13. The individual or team members must perform all aspects of the presentation (e.g., speaking, set-up, operating audiovisual equipment). Other representatives of the chapter may not provide assistance.

State

State Eligibility

The minimum number of competitors each region may enter is the first- and second-place winners who are members of active local chapters on record in FBLA Connect as having dues listed as "pending or paid." Since a participant's "pending or paid" membership was required at the time of region conference registration, only students who are "pending or paid" appear in Blue Panda to be registered for and assigned competitive events at the State Leadership Conference.
